

# Discipleship Challenge

The 4x25 plan (4 Challenges for our 25th Year!) to grow your faith and our church.

## Growth Verse

*How happy is the man who does not follow the advice of the wicked or take the path of sinners or join a group of mockers! Instead, his delight is in the Lord's instruction, and he meditates on it day and night. He is like a tree planted beside streams of water that bears its fruit in season and whose leaf does not wither. Whatever he does prospers.*

Psalm 1:1-3

## Seed Sowers

We are going to Africa today to pray for one of our missionary families. Timothy and Rebecca Braden have moved with their three children into an area where people practice folk Islam or else they believe in witchcraft and that spirits are everywhere. The people are fearful because they think the spirits want to hurt them. They often perform ceremonies they think will keep the spirits away.

Every day Timothy and Rebecca hear guns fired or the beating of drums which are part of these ceremonies. At this point there are just two Christian believers in their area—just two!

Our church's Cooperative Program giving is supporting the Braden family there in Africa. They are in a hard place where spiritual warfare is being waged in ways we cannot imagine. But they say God is being faithful to sustain them in this sin-darkened area where they serve.

Can we pray for them over the next two weeks and ask God to keep them safe, to give them opportunities to share the good news and to bring many new believers into this area?
